

# **2007 MARCHING BAND FEE**

## **Summary**

**Total Fee is \$100.00 per student**

**First payment due at the Marching Band meeting on August 5**

**Final Payment due by the start of school on August 28**

The 2007 Marching Band fee pays for such items as new instruments, props, equipment, instructional supplies, instructors, and competition fees. The cost of this fee is \$100.00 per student. Each family may make one payment, or divide this into several payments. While these funds will help with the general budget of producing a quality marching band program, they unfortunately will not eliminate our need for fundraising. We encourage everyone in the band program to participate in our annual fall poinsettia sale, as well as other fundraising events throughout the year.

If you have financial hardships, please do not hesitate to contact a member of the Booster Club Executive Board or The Band Director.

**MONEY IS NO REASON FOR A CHILD NOT TO PARTICIPATE IN MARCHING BAND! WE WILL WORK OUT WHATEVER MONEY ISSUES YOU HAVE SO THAT YOUR CHILD MAY PARTICIPATE!!!**
